

LYMPHOMANIACS

February 2009

■ SOLARIS IN CANADA

Solaris products are now available in Canada exclusively through our distributor, Lymphedema Depot Ltd. By partnering with a Canadian company, our Canadian customers will be able to receive garments more quickly, with the added benefit of being able to pay in Canadian currency. If you are located in Canada, please contact info@lymphedemadepot.com or visit www.lymphedemadepot.com for more information.

■ CARESIA THIGH GARMENTS

Solaris is excited to announce the arrival of the Caresia Thigh garment. Attached to this newsletter is an updated Caresia order form. If you have any questions, please contact us at info@solarismed.com or at 414-918-9180.

■ NEW SOLARIS REGIONAL SALES MANAGER

With increasing acceptance of the Solaris product line, we have found it necessary to begin an outside sales force to better represent ourselves and serve the needs of our valued customers more efficiently. In that vein, we recently hired our first regional sales manager, Fred Peterson, to cover Wisconsin, Illinois, Indiana, and Iowa.

Fred brings to Solaris a vast amount of experience in lymphedema therapies, vascular compression garments, orthopedic implants, sports medicine, and wound care. Fred has been calling on lymphedema therapists, physical medicine, and rehabilitation clinicians, vascular and orthopedic surgeons. In addition, he is contacting current and prospective DME accounts and conducting product in-services. Feel free to contact him via the Solaris office (888-918-9180) or email (fred.peterson@solarismed.com).
