February 2010

## ■ BUILDING AWARENESS

As you may already know, Lymphedema Awareness Day/Month is just around the bend on March 6th. Solaris is planning to attend Klose Lymphedema Care's 2nd Annual Lymphedema Awareness Day (please see the next article, "So Klose," for more information on this event).

If you know of other events or programs in your area, we'd love to hear about them and help you spread the word! Please feel free to contact us anytime by phone (888) 918-9180 or email [info@solarismed.com](mailto:info@solarismed.com) so we can help you build awareness!

## ■ SO KLOSE

Klose Lymphedema Care is hosting their 2nd Annual Lymphedema Awareness Day on March 6th in Lafayette, CO. This event, open to therapists, patients, and the public, is a great opportunity for everyone to come together to network and learn.

Please contact Klose directly at 303-245-0333 for more information about Klose Lymphedema Care and to RSVP for the Lymphedema Awareness Day event.

## ■ FEBRUARY RESOLUTIONS

Can you believe it? It's already been a month since everyone made their New Year's Resolutions!

If you find yourself having trouble sticking to your resolution, you're not alone. It turns out over 90 percent of people don't keep their New Year's Resolutions, and nearly half of them fail by the end of January! So if your New Year's Resolution seems like a lost cause, feel free to join some of us at Solaris who are starting on our February Resolutions!

If you have a resolution that you'd like to share with us, we'd love to hear it! Feel free to send it to us at [info@solarismed.com](mailto:info@solarismed.com).
