

# LYMPHOMANIACS

January 2009

## ■ NEW WEBSITE ([www.solarismed.com](http://www.solarismed.com))

Solaris is excited to announce that our new website, [www.solarismed.com](http://www.solarismed.com), is up and running. We've taken your suggestions to develop this site and catered it to meet your needs. The new site features richer content and easier navigation, especially for patients. Through the new site, patients can register their Tribute, view product care guides, find resellers in their area, find links to other sites in the lymphedema or venous communities, access general information on lymphedema, venous disease and insurance billing, and more.

Professionals will have the opportunity to help Solaris go green by downloading catalogs, price lists, and order forms from the new website. Each registered professional will also have access to Solaris training videos, insurance information, and more.

We hope you like the new site as much as we do and, as always, we would love to receive your feedback!

## ■ HOLIDAY HAPPENINGS

For the second year, in lieu of a holiday party, Solaris employees bought gifts for underprivileged children. Employees divided into groups, then spent a few hours on a Friday afternoon shopping for gifts. The presents were donated to the Hmong American Friendship Center. They have been a great partner with us in connecting with the Hmong community and have assured us the toys will find deserving kids.
