

LYMPHOMANIACS

June 2008

■ Solaris hosts Klose Training

Solaris will be hosting two Klose Training courses this October - a Breast Cancer Rehabilitation Course October 11th - 12th, and a Lymphedema Therapy Certification Course October 13th - 25th. For more information and to register please visit www.klosetraining.com.

■ Frequently Asked Questions

Q: My Tribute garment came in a mesh bag. What is that for?

A: The mesh bag we provide with every Tribute garment is for daytime storage only. Please do not wash your garment in this bag!

Q: What is the product ID number?

A: The product ID number is the unique number that Solaris gives to each of its orders. This number can be found on every packing slip, as well as the tag on each Tribute garment. This will also be the invoice number associated with that particular order.

Q: What is the Sure Fit guarantee?

A: The Sure Fit guarantee states that within two weeks of the ship date, Solaris will remake or modify any Tribute garment which does not offer the patient a therapeutic fit. This policy applies even if there was a measuring error by the fitter.

If this situation arises, please call Solaris for a return authorization number and to discuss the garment with a member of our design team.

■ Solaris would like to wish everyone a safe and happy 4th!
