

LYMPHOMANIACS

July 2009

■ SOLARIS ON THE ROAD

Last month Solaris attended the **WOCN (Wound, Ostomy, and Continence Nurses Society)** conference in St. Louis and the **SVS conference** in Colorado. We will also be attending a number of conferences this summer, such as the **22nd Annual Congress of Lymphology** in Sydney, the **Enhancement Seminar** in Baltimore, the **British Lymphology Society Conference** in England, the **American College of Phlebology Conference** in Palm Desert, and more! If you plan on attending any of these conferences, be sure to stop by our booth, we'd love to see you! For a complete list of conferences, or if you know of a conference that we should attend, please email Dave Lischka at dave.lischka@solarismed.com.

■ A NEW ADDITION TO THE SOLARIS TEAM

In order to better serve Solaris' international distributors and our valued international customers more efficiently, Solaris has brought on a full-time International Sales Coordinator, Nicole Wipperfurth.

Nicole is a marketing graduate from the University of Wisconsin-Milwaukee. She has been working closely with the international distributors Solaris currently has, and is taking on the task of getting Solaris' products registered in the United Kingdom so Solaris can obtain an international distributor for the European Union. She has also been doing the same in Japan.

Nicole will be attending numerous international lymphedema conferences this year, including the 22nd International Congress of Lymphology in September and the British Lymphology Society Conference in October, so be sure to stop by and see her.

Solaris is looking forward to expanding our business internationally to provide patients with quality solutions for their specific needs.
