■ Where's Kathy?

Kathy and Stephanie have been busy, covering most of the United States doing inservices and attending conferences. They're taking a few weeks off this summer to rest up and then they're back on the road!

We're currently scheduling Washington, Oregon, Northern California, and Nevada for the beginning of August and Main, Massachusetts, Rhode Island, New Jersey and New York for the beginning of October.

If you are in any of these states and would like Kathy and Stephanie to stop by your facility, please give us a call or send us an e-mail.

■ New faces

We'd like to introduce you to Solaris' newest additions (from left to right) Amanda Kimble, Brian Belt and David Lischka.

A few of you already know Amanda, our new customer service coordinator. Feel free to give her a ring if you have questions about an order.

Brian is our sales coordinator. He'll be doing a lot of inservice scheduling and helping DMEs with their marketing needs.

Dave is our marketing coordinator. He's busy working on our new catalogs, brochures and packaging for all of our products.

They are very excited about working with you in the future.
