June 2009

## ■ SOLARIS IS MAKING STRIDES

Last month Solaris employees went for a stroll, taking part in the Making Strides Against Breast Cancer walk in Wisconsin. The weather was beautiful, everyone had a good time, and, most importantly, over \$140,000 was raised in total to help fight breast cancer! Be sure to drop by the Making Strides website to find a walk/run in your area!

## ■ SUMMER GARMENT CARE

Just a friendly reminder that summer is right around the corner, and with it comes some garment care tips.

It is important to wash your garment(s) on a regular basis. Not only does it keep them clean, but it also helps the fabric rebound more effectively. Over time the fabric may become worn, washing and drying the garment helps it retain its original properties.

Each of our Tribute garments is manufactured with breathable and wickable fabric, however, if you find yourself uncomfortable on a hot night, you may want to wrap your Tribute in a plastic bag and stick it in the refrigerator a few hours before bed. When you're ready to go to sleep, pull your Tribute out of the bag and don it as you normally would for a little extra refreshment.
