October 2009

■ CONNECT WITH SOLARIS

Solaris knows how important it is to stay connected and maintain good communications within a community. With that in mind, Solaris is proud to offer you more ways than ever to connect with us and others in the lymphedema community. Our goal is to provide everyone in the lymphedema community with the best, most accessible resources, and encourage channels of communication between patients, professionals, and others. We also wanted to ensure that you have every opportunity possible to connect with us to communicate any comments, complaints, suggestions or questions that you have. If you have any question or problems, please contact Dave at dave.lischka@solarismed.com.

■ BREAST CANCER AWARENESS MONTH

Our pink Tributes are now available just in time for Breast Cancer Awareness month!

If you would like a pink Tribute, be sure to let your therapist, fitter, or medical professional know! Also, don't forget that \$5 will be donated to the **Susan G. Komen Fund** for every pink Tribute sold in October!

■ CANADA BOUND

Solaris will be attending the Lymphovenous Association of Ontario (LAO) Conference with our Canadian Distributor, Lymphedema Depot, on November 7th. If you're in the Toronto area, be sure to stop by the booth to say hi and see what we have going on!
