September 2008

## ■ NLN 2008 - a huge success thanks to you!

Solaris staff members would like to thank everyone that made our 2008 NLN a success! We were so glad to have the opportunity to meet so many of you and tell you about all the new and exciting things going on at Solaris. Whether you stopped by to check out our new products, to grab your complimentary large Tic-Tac Swell Spot, to compete in our fast-paced Caresia Wrapping Challenge or to pick up our all new catalogs, we appreciate you taking time out of the jam-packed conference schedule to talk to us.

Congratulations to the winners of the Caresia Wrapping Challenge, pictured below during the awards ceremony.

If you didn't get a chance to stop by during the NLN, you can still request an inservice or a new catalog. Just fill out the attached form!

Thanks again, and we'll see you in Orlando in 2010!
