

LYMPHOMANIACS

September 2009

■ THINK PINK

Starting October 1st, Solaris is offering Tribute garment orders to be made in pink in honor of Breast Cancer Awareness Month. The permanent fabric option will give back to cancer support groups by donating \$5 for every pink garment purchased. For garments ordered in the United States, donations will be given to the **Susan G. Komen for the Cure Foundation**. For garments ordered in Canada, donations will be given to the **Canadian Cancer Society**.

Solaris is pleased to announce that their exclusive Canadian distributor **Lymphedema Depot** (www.lymphedemadepot.com) will be making the pink fabric option available to their Canadian customers as well.

■ BLS

Solaris will be attending another international conference in October to promote global awareness. The **British Lymphology Society Conference 2009** is located in Sheffield, United Kingdom. During the trip, Solaris employees will attend the conference, meet with potential United Kingdom distributors and make the trip to the Netherlands to welcome Arion International as the official Netherlands distributor for Solaris products.

“The BLS Conference and European meetings set up for this trip showcase the success and recognition Solaris is gaining overseas”, said Nicole Wipperfurth. “The fact that Solaris has the capability to bring alternatives to traditional Lymphedema treatment options overseas is very exciting.”

Be sure to stop and see us if you're attending!

■ LIGHTHOUSE LYMPHEDEMA NETWORK

Solaris will be attending the **12th State of Georgia Lymphedema Awareness and Education Day** (hosted by the **LLN**) on October 24th. This is a great opportunity for patients and professionals alike! As always, we'd love to see you there! Kathy will also be in the area giving inservices in October. If you're around the southern end of the east coast and would like an inservice, contact Tom Montgomery by phone (888-918-9180) or email (tom.montgomery@solarismed.com).
